Use of Ramps: Clarification

Background

The appropriate place to individually examine dogs during breed judging is designated by each parent club and AKC does not pre-empt their authority in this regard. The current list of table and ramp breeds may be found on the AKC website.

Table Breeds

Designated table breeds must be examined on an examination table. If re-examination is necessary for a table breed, **they must be placed back on the table**. For re-examination, a maximum of two dogs may be placed on the table at the same time. No other breeds may be examined or otherwise judged on an examination table.

Ramp Breeds

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required. Breeds designated as ramp optional may be examined on the ground (table if applicable) or on a ramp during breed, group and Best in Show judging at the sole discretion of the judge and not the exhibitor. The entire entry in that breed is to be examined on the ground (table if applicable) or on a ramp. Breeds designated as ramp mandatory must be judged on the ramp through all levels of conformation competition. The requirement to place a table breed back on the table for re-examination **does not apply to ramp optional or ramp mandatory breeds**. **The ramp will be available at the discretion of the judge for all ramp optional breeds through all levels of competition including group and Best in Show judging.**

All Other Breeds

Breeds not designated as either table or ramp breeds may only be examined on the ground.
Exception: Miniature Bull Terriers may be examined on the ground, on a table or on a ramp.

Emergencies

In emergency situations, with the approval of the Show Chair, breeds customarily examined on the ground may be examined on a ramp, not on a table. An emergency is defined as a temporary condition that arose immediately prior to or at a dog show. Convalescence from a medical procedure, illness and recuperation from injuries are examples of conditions that are not emergencies. The emergency use of a ramp may be allowed on a day and may be extended to include a cluster as well as judging either a group and/or Best in Show.

When a ramp is used for non-ramp breeds in an emergency, the superintendent is to post appropriate signs at the ring and at the superintendent's office that must include notice that exhibitors are entitled to a refund of their entry fee. Field Staff is directed to report all instances of the emergency use of a ramp to Events and Judging Operations. If there is need thereafter, the following weekend for example, as in the past, formal accommodation must be requested from Judging Operations.

AKC complies with the Americans with Disabilities Act and wants to provide to all the opportunity to participate in its events.

However, according to the "Fitness to Judge Policy" as published in the *Rules, Policies and Guidelines for Conformation Dog Show Judges*, approved May 2007, "It is essential that a dog show judge be physically capable of performing the functions necessary to properly judge dogs." A judge must have:

- The flexibility to examine all parts of a dog's anatomy where each breed is presented (i.e., on the ground, on a ramp or on a table).
- The capability of measuring or weighing a dog and examining on the ground, table or ramp where applicable.

SCHEDULE OF POINTS

For complete Conformation Championship requirements see **Chapter 16** of the Rules Applying to Dog Shows

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
