JUNIOR ACTIVITIES

Canine Knowledge Quiz

Entrants in Junior Handling at Kanadasaga Kennel Clubs shows at Wine Country on Friday, September 25 and Saturday, September 26 are invited to answer a quiz on canine knowledge. Completed quizzes will be entered for a special award drawing. There will be a separate quiz for juniors aged 9 to 13 and one for those aged 14 to 18. The quizzes will be available at the club tent starting in the morning and the completed answered must be turned in by the start of Groups. Winners will be announced before Best of Breed. Fridays and Saturday's quizzes are different. If you want to check your answers afterwards just stop at the club tent.

Armband Drawing

Junior Handlers are invited to drop their Junior Showmanship Armband into a separate container which will be placed outside their show ring and then it will be at the club tent for a dog - themed gift. Drawing will be done before Best in Show.

Story Time for Little Paws

Foster a love of learning and dogs with a pawsome story time for your little one under the show tent on Friday, September 25 and Saturday, September 26 at 12:15pm. A furry reading companion or two may join you.

Pee Wee Class Special Attraction - Saturday

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5-9 years of age. Children younger than five cannot participate in the Pee Wee Class Special Attraction. The safety of the children is a primary concern.

Each Pee Wee unit consists of the child, his/her parent/guardian/responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

At an All-Breed Event the judge must be an AKC approved All Breed Junior Showmanship Judge. A Group Club or Specialty Club may have a Limited Status Junior Showmanship Judge that meets the criteria.

- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements as specified by the club.
- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside of the ring.
- At a Group or Specialty Club Show the dogs must be of the breed(s) eligible for the event.
- It is up to the host club to decide if a dog must be registered to participate.
- How entries will be accepted is up to the host club. In addition to an entry, a release must be signed by the child's parent or legal guardian. Please contact Event Operations at eventplans@akc.org to request the current version of the Pee Wee Release of Liability.
- The entry fee, if any, shall be specified.
- Clubs may specify a limit on the number of children allowed to enter the class.
- Clubs must submit a summary report to AKC including number of entries and feedback to the Sport Services Department.

The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience-no Junior will be "judged" but rather will be mentored with the age-appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age.

Day-of-Show Registration: Registration will be taken at the Club Table starting at 8:00 AM on the day of the show. Judging time will be posted.

A Release of Liability must be completed before the Pee Wee may enter the Pee Wee Event. For more information on the Pee Wee Event, please refer to the AKC website at:

LEAVING YOUR DOG IN A HOT CAR MAY BE HAZARDOUS TO ITS HEALTH.

When it's only 80 degrees outside, a car can heat up to over **120 degrees** in just minutes. In a temperature that high, a dog could easily die. That's why the American Kennel Club recommends that dog owners **never** leave their dog alone in a car during the warm weather.

BEST IN SHOW AND VARIETY GROUP PRIZES

The Elmira Kennel Club will be offering monetary donations to the Domestic Violence Shelter, New Hope Center, located in Owego, NY, that accommodates the family pets of the victims of domestic violence, in the name of the winners of Best in Show, Reserve Best in Show, First in each Group, and High in Trial.

October is Domestic Violence Awareness Month. The Elmira Kennel Club believes these donations will assist the one in four women or the one in seven men who will face severe physical violence by an intimate partner. According to the AKC, many victims delay leaving or return to their abusers for fear of harm to a beloved family pet left behind. These donations in honor of the winning dogs will allow this shelter to accommodate pets, either on site or in an approved facility as a safe haven.

A framed certificate honoring the winning dog in each category will be presented at the show.

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

Everything We Do,
We Do for Dogs.
